FIRST INTERNATIONAL CONFERENCE ON NANOSCIENCE & NANOTECHNOLOGY 2018
 NOVEMBER 1-2, 2018

"ICONN-2018 is a joint venture of School of Chemical & Materials Engineering (SCME), National University of Science & Technology (NUST), and the Department of Chemistry & Chemical Engineering, SBA School of Science & Engineering (SBSSE), Lahore University of Management Sciences (LUMS). It will bring together students, researchers and professionals across the country and abroad to share new ideas, developments and challenges in the field of Nanoscience & Nanotechnology for applications in renewable energy technologies, biomedical sciences, industry and environment."

CONFERENCE TOPICS
 Nanomaterials for environmental remediation and monitoring, renewable energy technologies, bionanotechnology, porous materials, nanodevices and nanocomposites etc.

REGISTRATION FEE
 Student: PKR 1000
 Faculty: PKR 3000
 International participants: USD 150

IMPORTANT DATES

Abstract submission starts: July 15, 2018
 Abstract submission ends: August 31, 2018
 Registration opens: July 15, 2018
 Notification of acceptance: September 30, 2018
